Ask for the block "Detroit CCW"

"RENEW AND REFRESH" will showcase Council and remind women of our long history and why they are so important for the future. NCCW will soon be celebrating her 100th birthday and we plan to celebrate in style! We will kick-start the party with dinner Friday night during which our members will be wearing popular fashions of the past 100 years. Gals from Kalamazoo diocese are encouraged to wear clothing in 1920's attire. Grand Rapids will dress in 1930 or 1970's, Detroit will dress in 1940 or 2000. Saginaw will wear 1960's. Gaylord will represent the 1990's and Lansing will dress in 1980's or 2010's. Period dressing is optional. On Saturday, two enthusiastic leaders from the National Council of Catholic Women Leadership Development Team will fill us with the creative energy we need to put some extra PIZZAZZ in our Councils. Please join us for the fun.
